The Honorable Peter DeFazio
Chair
House Committee on Transportation and Infrastructure
2134 Rayburn House Office Building
Washington, DC 20515

Dear Chair DeFazio:

I am requesting funding for the Hannibal Stormwater Project in the Water Resources Development Act of 2022.

The project sponsor for this project is the City of Hannibal, Missouri located at 320 Broadway, Hannibal, MO 63401 (Marion County). The project is located in Missouri's 6th Congressional District. The purpose of this project is to replace the stormwater system in downtown Hannibal and make additional improvements to accommodate the new system.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: improve health and safety in the local community, reduce public health and environmental issues, prevent failures and backups that could threaten the integrity of the levee system that protects downtown Hannibal.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Sam Graves
Member of Congress
